Transportation Coordination: A Guide to Making it Work for You	Describes benefits of coordination and offers examples of approaches to partnership efforts. P D	1995

Online Web Application	Description	Date
Cost Allocation Calculator	Determines the fully allocated cost for providing service by travel mode, jurisdiction, service type, individual route/service, and sponsored services.	2019
GTFS Builder	Allows your agency to create and manage General Transit Feed Specification (GTFS) data for on-line trip planning and other uses. Includes Excel spreadsheets, set-up for uploading the files to Google, and detailed instructional videos (updated through time).	2017
ProcurementPRO	Provides appropriate clauses and certifications for federal procurement requirements when utilizing federal funds to buy vehicles or other materials.	2020
Website Builder	Build and manage a free website for your organization by using our template, design tools, and easy to follow instructional videos. Updates to the platform and new videos have been added, and a Website Builder 3.0 is being launched.	2020

Online Toolkit/Product	Description	Date
ADA Toolkit	Everything rural and tribal transit managers need to know about Americans with Disabilities Act compliance.	2020
Bus Roadeo Toolkit	How to run a Roadeo from planning to judging and scoring the event. The videos are also available on YouTube, a DVD and in National RTAP eLearning.	2014
Directory of State RTAP Managers	Online listing of RTAP managers from each state and US Territory.	2020
Directory of Trainers	Listing of trainers and their topic specialties by location.	2020
How to Find Almost Anything Toolkit	Guide to finding information online and offline, including lists of free and low-cost transit resources by topic.	2020
Salary Ranges for Transit Jobs	Results of our job title and salary range survey of rural and tribal public transit agencies. The downloadable spreadsheet contains the database and a summary table.	2020
Marketing Transit Toolkit	Advice for developing a marketing plan and creating marketing materials for your agency, and includes libraries of free transit photos, graphics and templates.	2019
Rural Integrated National Transit Database (iNTD)	A tool that integrates the rural NTD data dating back to 2007, enabling users to view, sort, and analyze the data and run reports.	2020
State RTAP Manager's Toolkit	Guide to establishing and managing a state RTAP program.	2020
State RTAP Manager's Forum	Online forum for RTAP managers to communicate with each other and share information.	2020
Transit Acronym Dictionary	List of transit acronyms and their definitions. The list includes government agencies, industry-wide organizations, legislation and phrases used in the transit literature.	2020
Transit Manager's Toolkit	Comprehensive information for transit managers to ensure that their agencies run smoothly and are in compliance with FTA 5311 regulations.	2020

National RTAP Technical Briefs are all available in PDF format. Hover over the title and use Ctrl + Click to access the online link to that resource. These resources are available for shipment to rural and tribal transit agencies through Resource Share, phone, email or chat.

Technical Brief	Description	Date
Advisory Versus Governing Boards	Describes roles of transit advisory (community stakeholders) and governing boards (appointed legal representatives).	2007
Advocating for Your Transit System	Discusses establishing a formal advocacy plan, and offers ideas for rapid implementation. Prepared collaboratively with the National Center for Mobility Management (NCMM).	2021
American Indian Transportation: Issues and Successful Models	Raises issues faced by American Indians, including sovereignty, funding, coordination, computerization and economic growth.	2006
Applying Good Business Practices: Hiring, Training and Evaluating Employees	Discusses effective ways to recruit, hire and retain the right people in a customer service-driven transit system.	2018
The Benefits of Electronic Grants Management Systems	Details benefits and best practices of electronic grants systems and highlights states who have built successful systems.	2009

Technical Brief	Description	Date
Contracting with Private Providers	Advises whether transit systems need to hire contractors, researching private providers, RFPs and contract management.	2008
Copyright: Tips for Being a Good Digital (and Real-World) Citizen	Explains the importance of adhering to copyright laws and developing a policy. Gives practical advice for following copyright laws online and in the workplace.	2018
Coronavirus Disease 2019 (COVID-19): Information and Resources for Transit	Provides transit agency staff and passengers with information and resources about the risks and evidence-based strategies. The brief covers what is known about COVID-19 at this time and the basics of planning, prevention and treatment.	2020
Customer Service in Rural Transit: How to Identify and Meet Customer Needs	Details the need for excellent customer service and provides tips for implementing a successful program, such as obtaining and acting on customer input and meeting unmet needs.	2010
The Dawning of a New Era in Transit: Major Trends	Describes recent trends in transit, such as rider-friendly technology, a new consumer mindset, generational dynamics and sustainable transportation.	2010
The Dawning of a New Era in Transit: Ten Strategic Imperatives	Outlines ten ways in which transit professionals can shape the role and impact of transit in America, such as exceptional customer service and community partnerships.	2010
Developing and Maintaining a Transit System Personnel Policy	Explains the need for creating a personnel policy manual and covers topics for inclusion, such as employment and hiring practices, compensation, benefits and workplace standards.	2019
Developing, Designing & Delivering Community Transportation Services	Discusses leadership, service policy, vehicle selection, routing, scheduling, passenger assistance, and driver training.	2009
Developing Effective Policies and Procedures	Outlines important areas within an agency where policies and procedures should be drafted, such as safety and staffing	2018
Driving Your Online Presence: The Importance of Creating a Website for Your Transit Agency	Addresses why it's important for your transit agency to have a website, and provides tips for improving existing websites	2018
Emergency Information Dissemination	Explains the importance and objectives of a prepared crisis communication plan	2020
Emergency Response Checklist: After Normal Operating Hours	Identifies the responsibilities of the Emergency Response Coordinator in an emergency that occurs after operating hours	2006
Emergency Response Checklist: During Normal Operating Hours	Identifies the responsibilities of the Emergency Response Coordinator in an emergency that occurs during operating hours	2006
Essential Spanish for Rural Transit	Provides the most frequently asked questions passengers ask, as well as the most important messages that transit drivers need to give those passengers, in a simple English/Spanish format to facilitate effective communication.	2020
Exceptional Customer Service Across Generations	Explores the impact of a multigenerational workforce on transit system operations and customer service	2010
Federal Motor Carrier Safety Administration Regulations and Interlining Transportation for Rural Transit Providers	Gives an overview of FMCSA regulations that affect rural transit and defines requirements for interlining, which is a fixed vehicle switching from one route to another during a service day.	2008
Getting Started: Creating a Vision & Strategy for Community Transit	Outlines how to identify and work with stakeholders, understand the community's transportation needs, and identify resources to create a mission and strategic plan for community transit	2017

Technical Brief	Description	Date
Grant Writing Made Easy: How to Write a Successful Grant Application	Provides tips on searching for grants, submitting and following-up on your application, and includes a list of grant resources	2017
Guidance for Rural and Tribal Transit Agencies During a Government Shutdown	Provides guidance on what transit agencies should expect and actions they can take before, during and after a full or partial government shutdown to minimize the impact.	2019
Head Start Program Transportation in Rural Areas	Helps transit agencies understand federal and state Head Start transportation requirements, and provides best practices for providing safe and customer-focused Head Start transportation.	2020
Healthy Habits: Reducing Stress and Fatigue and Increasing your Energy	Explains how transit workers can recognize and reduce stress and fatigue, maintain their energy and become more active	2018
The Health Insurance Portability and Accountability (HIPAA) Rule's Effect on Rural Transit Agencies	Provides an overview of the HIPAA privacy protections for non-emergency medical transportation	2009
Insurance and Risk Management Solutions: Risk Retention Pools	Focuses on risk retention pools, where agencies contribute equal amounts to common risk pools and money can pay for expenses	2008
Leading the Rural Transit Agency	Introduces concepts to help rural transit leaders make decisions, set goals and priorities, and communicate with all stakeholders	2009
Leveraging Social Media: Spreading the Word and Enhancing Community Participation	Explores the use and potential impact of social media, such as Facebook, Twitter, etc., as a marketing and community participation tool for transit providers	2018
Livable Communities: Tips for Designing Transit Services and Infrastructure that Promote Livability	Discusses characteristics of livable communities, suggests improvements to infrastructure and transit, and provides grant opportunities for initiatives	2011
Make Business Part of Rural Transit's Business	Explains how rural transit operators can partner with businesses based on workforce needs	2010
Managing System Safety for Rural Transit	Outlines the process of implementing a transit safety system program, including affordability and incident prevention	2009
Measure and Report Your Impacts: How to Assess Your Impact and Tell Your Story	Explains how transit operators can use information to leverage community support, and build a compelling case for the positive impact their agency can provide	2010
Measure and Report Your Impacts: How to Assess Your Impact and Tell Your Story	Explains how transit operators can use information to leverage community support, and build a compelling case for the positive impact their agency can provide	2010
Mobile Driver Training Simulators	Provides information about mobile driver training simulators, which provide hands-on training in virtual environments	2009
Operating the Rural Transit Agency	Offers topics and resources required to run a rural transit agency under federal regulations, including customer service, policies and certifications	2010
Oversized Wheeled Mobility Devices	Evaluates issues related to transporting oversized wheelchairs and suggests best practices for their securement and support	2015

Technical Brief	Description	Date
Performance Evaluation for Rural Transit Systems	Discusses how to assess and interpret your rural transit system's performance, using data and cost information	2019
Plain Language for Rural Transit: Writing for Readability and Clarity	Explains Plain Language writing and how you can use it to make your writing simpler and better.	2019
Responding to Transit Incidents	Outlines challenges that arise during transit incidents, identifies actions that can be taken, and discusses response procedures	2009
Roles and Responsibilities of Transit Board Members: What Every Board Member Should Know	Provides a concise list of what new board members should know about the organization, including acts that govern their agency and how the transit authority is funded	2007
Seasonal Flu: Information and Resources	Covers the basics of flu prevention and treatment for transit workers.	2018
Time Management for Rural Transit Managers	Provides best practices and recommendations for time management for rural transit managers, as well as ways to increase productivity and reduce stress caused by task and information overload.	2020
Tools that Connect: Online Trip Planners and GFTS Builder	Learn about making your routes more visible to potential riders and improving transit planning with General Transit Feed Specification (GFTS).	2020
Training Adult Learners: How to Reach and Engage Your Audience	Discusses the characteristics and learning processes of adult learners, and provides tips for planning and delivering training programs, conducting webinars, and using learning technologies	2018
Transit's Role in Emergency Response	Suggests general guidelines and provides checklists for each stage of a critical emergency, including the aftermath	2019
Understanding the U.S. Department of Transportation's Disadvantaged Business Enterprise (DBE) Program	Outlines an overview of the Disadvantaged Business Enterprise program for Department of Transportation funded agencies, including requirements, goal setting and monitoring	2017
Used Oil Recycling: Getting Extra Mileage Out of Your Motor Oil	Suggests alternative methods for disposal or reuse of motor oil	2019
Vehicle Maintenance: Reducing the Cost of Fuel Consumption	Provides a checklist of fuel saving maintenance measures that also reduce maintenance costs and minimize emissions	2009
Volunteers in Transportation: Some Issues to Consider	Lists pros and cons of utilizing volunteers, and provides ways to show appreciation	2018
What Transit Agencies Need to Inform the Public About Before Making Changes	Checklist that agencies can use to determine what they need to notify the public about and gather public comments. Changes a transit agency may make are grouped into compliance, priorities and strategies and allocating funds	2019
Writing a Coordinated Human Service Transportation Plan	Provides guidance for federally mandated coordinated service transportation plans for persons with disabilities, older adults, and persons with limited incomes	2009

Appendix: Resources by Roles

In this appendix, we list the top National RTAP resources (up to 15) that apply to the major roles found in rural transit agencies. These lists could be considered recommended resources for new hires in the following roles. Note that some resources may be useful for other roles not identified, but we tried to identify the main audiences for each resource. See the Roles Key on page 9 for the different transit job titles included in each role.

Administrative Staff

- Applying Good Business Practices: Hiring, Training and Evaluating Employees Tech Brief
- Developing and Maintaining a Transit System Personnel Policy Tech Brief
- Emergency Response Checklists
