State RTAP Managers' Forum

- A place to network, exchange information, engage in conversation, and share best practices about RTAP topics between conferences.
- National RTAP staff will monitor the Forum, but the exchange of ideas and solutions between RTAP managers is the centerpiece.
- The discussions, links and files in the Forum will serve as an online archive of information about running a state RTAP program.
- The Forum has a friendly, dynamic interface, and is run by a third-party application called Podio.

State RTAP Managers' Forum

- Access to the Forum is by invitation only.
 - RTAP managers and contractors should receive an email by end of day
 - Access for others will be considered on case-by-case basis
 - Contact us with questions, problems, or requests regarding access
- To access the Forum in Podio:
 - When getting started - click link in invitation email
 - In the future - click button on State RTAP Managers' Forum page of our website or go to podio.com/nationalrtaporg/state-rtap-managers-forum
- Forum set-up and instructions:
