# Safety-Sensitive Employees

Training Requirement  
49 CFR Part 655.14(b)

“Covered employees must receive at least 60 minutes of training on the effects and consequences of prohibited drug use on personal health, safety, and the work environment, and on the signs and symptoms that may indicate prohibited drug use.”

# Who are safety-sensitive employees?

Employees of FTA grant recipients, sub recipients, and contractors who perform safety-sensitive functions must be included in an FTA-compliant substance abuse management program.

The FTA defines safety-sensitive functions as follows:

- Operating and a non-revenue service vehicle that requires drivers to hold a **Commercial Driver's License (CDL)**.
- **Operating** a revenue service vehicle including when the vehicle is not in revenue service.
- Controlling **dispatch** or movement of a revenue service vehicle.
- **Maintaining** revenue service vehicles or equipment used in revenue service including overhaul and rebuilding.
- Providing **security and carrying a firearm** on transit vehicles, transfer points, and transit facilities open to the Operation of a revenue service vehicle, in or out of revenue service
- Volunteers:
  - **Must** have CDL to drive vehicle, or
  - Remunerated for service in excess of costs incurred
- Carrying a firearm for security purposes public.
